Artistic Director

East Haddam Stage Company

East Haddam CT 06423

Ms Carle,

The Lizzy production was just fantastic. Stephanie was wonderful and the academy students as well as their South African guests were delighted to have this performance at the museum for them. I look forward to booking the play for our UGRR events, as well as our outreach programs to area libraries. I would also like to discuss our collaborating on other living history presentations.

Thank you for a job well done!

L'Merchie Frazier

Director of Education
